#### COMMITMENT APPLICATIONS

#### § 200.45 Processing of applications.

(a) *Preapplication conference.* Except for mortgages insured under section 241(f) or 242 of the Act, the local HUD Office will determine whether participation in such a conference is required as a condition to submission of an initial application for either a site appraisal and market analysis (SAMA) letter (for new construction), a feasibility letter (for substantial rehabilitation), or for a firm commitment. The project sponsor may elect (after the preapplication conference if required) to submit an application for a SAMA or a feasibility letter (as appropriate), or for a firm commitment for insurance depending upon the completeness of the drawings, specifications and other required exhibits. An application for a SAMA or feasibility letter may be submitted by the project sponsor. An application for a firm commitment for insurance must be submitted by both the project sponsor and an approved mortgagee. Applications shall be submitted to the local HUD Office on HUD-approved forms. No application will be considered unless accompanied by all exhibits required by the form and program handbooks. At the option of the local HUD Office, the SAMA/Feasibility letter stage of processing can be combined with the firm commitment stage of processing.

(b) *Firm commitment requirement.* An application for a firm commitment must be made by an approved mortgagee for any project for which a mortgagor seeks mortgage insurance under the Act.

(c) *Staged applications.* Staged applications leading to an application for firm commitment shall be made as determined appropriate by the Commissioner, and in accordance with such terms and conditions established by the Commissioner. The intermediate stages to firm commitment may include a site appraisal and market analysis (SAMA) letter stage or a feasibility letter stage and a conditional commitment. The conditional commitment stage applies only to mortgages to be insured pursuant to section 223(f) of the Act.
